

## NATIONAL FARM MACHINERY SHOW and CHAMPIONSHIP TRACTOR PULL

### Dear Valued Championship Tractor Pull Ticket Holder,

We want to thank you for being a loyal part of the Championship Tractor Pull and we are writing this message to inform you of changes to the 2021 Tractor Pull.

With a possible vaccine on the horizon and safety measures improving daily, the 56th National Farm Machinery Show and 53rd Championship Tractor Pull have been moved to March 31–April 3, 2021. It is our goal to produce these historic events on an annual basis and we did not make the decision lightly. This show represents many things to many different people and we apologize for the inconvenience this puts on your yearly tradition.

The COVID-19 health guidelines in Kentucky require us to limit capacity in Freedom Hall. With that in mind, we are offering current priority seat holders tickets to view the event in-person. General public tickets will not go on sale this year.

We need to speak with you regarding your tickets. If you plan on attending this year's pull, please contact us so we can confirm your seating arrangement. Please read below for additional information regarding seating for 2021's Championship Tractor Pull. If the change in dates prevent you from attending the 2021 pull, please contact us. In the case you have already paid for your 2021 tickets, we can roll them to 2022. If you have not paid for your 2021 tickets, we will reserve your tickets for 2022.

We are offering four (4) tickets with a limited possibility of more tickets once all priority seat holders have been accommodated. The tickets made available may not be in the exact location your 2020 seats were as social distancing requires us to reconfigure available seating. Additional tickets that become available to priority seat holders may not be in the same section as the first four (4) tickets and we do not know at this time how many additional tickets could be available.

When you call the office, we will confirm seating location and we will ask if you're interested in additional tickets. We are making best efforts to provide seating arrangements this year that are near your best seats from 2020. If there are available tickets following the initial reservation process, we will make those available to you. Your 2020 seats are reserved for 2022 and you have first right of refusal for those seats.

Although this year has been unlike any other in our show's recorded history, we look forward to continuing the show in 2021 and offering a similar experience in-person and virtually for all our guests.

**Please contact the Kentucky Exposition Box Office regarding your priority seats at the Championship Tractor Pull by calling 502-367-5144 or emailing [tickets@kyvenues.com](mailto:tickets@kyvenues.com).**
