Tractor Pull Contestants

Re: 2021 National Farm Machinery Show Championship Tractor Pull

Dear Contestant:

Congratulations on receiving your application for the 53rd Championship Tractor Pull taking place February 10-13, 2021.

In these challenging times, we want to update you about our efforts to make this event as enjoyable as it has been for the previous 52 years. The Kentucky Venues team and the Kentucky State Fair Board have worked with state and local officials to present a comprehensive plan that ensures full compliance with the Healthy at Work guidelines set by the Kentucky Governor Andy Beshear. As we approach February, new and improved guidance is likely. As a state agency, our procedures and processes will continue to adapt and adhere to the instruction of the Kentucky Healthy at Work team. If the event is cancelled, you will receive a full refund on all application fees.

We encourage you to follow us on social media and visit our website to receive the latest information regarding the event going forward. We appreciate your patience and are excited to once again host the Championship Tractor Pull in Freedom Hall.

We appreciate your interest and look forward to receiving your application back before October 15, 2020.

Sincerely,

David S. Beck
President and CEO
Kentucky State Fair Board
